Conduct During Swim Meets

When our club is invited to a Swim Meet, we are the guests of the host team. Therefore, swimmers must abide by certain rules.

- ≈ Upon arriving at the pool, each swimmer will check-in with the coach. The coach must attend the scratch meeting before the meet starts and must inform the Officials of any swimmer(s) who will not be competing or if a swimmer is entered into a wrong event.
- ≈ Swimmers are to remain in the camp area during the meet or inform the coach if they are leaving the pool area.
- ≈ Our club is responsible for the cleanliness of all our camp area. All swimmers are to pick up after themselves and use the garbage cans provided. If our camp areas are not cleaned up properly, we will lose our \$100 deposit to the host club.
- ≈ There will be zero tolerance for swimmers or coaches acting up on deck. The referee will make a decision as to the swimmer's or coach's removal of the meet.
- ≈ Swimmers are only allowed to write their event numbers on their hands or arms, no inappropriate writings are allowed on their bodies.
- ≈ Swimmers will not be allowed on deck with their coaches unless they are being marshaled. It is the parents and swimmers responsibility to have the swimmer in the marshaling area on time, prior to their race. Coaches will not search for swimmers.

Regionals

The Regional Swim Meet is the final meet of the season, only the swimmers who place 1st or 2nd in their event continue on to Provincials. Swimmers must tell the coach if they will be unable to attend Provincials especially if they are to be on a relay team.
